bhenson1234@yahoo.com

- * Survivor of Identity theft attack
- * Content expert in Identity theft protection
- * 7 Years Experience in FDA (Federal Drug Administration) regulated environment
- * Familiarity with 21 CFR Part 11, Gramm-Leach-Bliley and Sarbenes-Oxley and HIPAA regulations (all having to do with protection of an individual's privacy)

Brad Henson

Brad has spent the last 18 years working as a computer network manager and security analyst for the Defense and Biotechnology industry, including time as a Research Director for Gartner Group, (the worlds largest IT advisory service) - monitoring the Anti-virus, computer forensics and network intrusion/hacking industries. He is a frequent guest speaker nationally - from the American Heart Associations "Heart Walk", at seminars on topics such as stress reduction in areas of people's personal life, and the corporate world, heart disease prevention, and ID theft prevention.

Author of a groundbreaking book
Heart Attack Survivor – a field guide, ISBN: 0-97127-880-6

Dr. Richard Carlson, author of "Don't Sweat the Small Stuff" Says: Heart Attack Survivor – a field guide is "Practical, helpful, and full of great life-affirming advice. Anyone with a heart, healthy or not, will enjoy this book!"

Author of the E-book and soon to be released Soft cover
Identity Theft Protection, ISBN: 0-9712788-9-X

Brads Presentations and Workshops include

- **Steps to preventing Identity theft**
- **Is your personality killing you?**
- **Is your corporation heading for a Heart Attack?**

Brad lives in Camarillo, California with his wife Beth. His passion is getting the word out about living a "no-limit stress-free lifestyle", writing about subjects that affect people's life - *for the positive*, traveling, and "hanging" with his 4 kids and 10 grand children.

He currently teaches identity theft protection techniques around the Ventura County area, including the Camarillo Health Care District facility in Camarillo, CA. Consistently busy with a multitude of teaching and writing projects, Brad is most proud of his work as a mentor to young and old alike - teaching the benefits of living a No-limit passionate lifestyle.

Book Brad as a speaker; contact him through Crow Publishing at 805-484-8003
